100% HPP Cold Pressed Juice

Why choose Squeezed!

Freshly pressed in Singapore using High Pressure Processing (HPP).

100% raw & natural – No preservatives, additives or concentrates.

Long 60-90 days shelf life (chilled).

- Low risk of wastage + Lower frequency of delivery = Lower operational cost

Delivery within 1-3 days from order.

Perfect for pick-and-go (300ml PET) or glass pour.

What is HPP?

High Pressure Processing

- Cold water up to 600 bar
- Neutralizes bacteria

**Doubles / Triples shelf life.
No heat or preservatives used.
Same price as other cold press juice brands.**
